Music Festival has started

Last meeting Kathy Willis from Huronia Transition Homes spoke to us about a new project they are working on called “Operation Grow”. They are renovating the old LCBO building downtown into a location for women to do indoor farming to grow produce that can be sold locally.

The walk a mile committee will be meeting this week to discuss their new registration process. Walkers can now register and have their own “page” for them to solicit sponsors directly to them by credit card.
