Last meeting Amanda Woodman and Rick Ignas from Community Reach came to speak about their transportation initiative, TLC. This unique program serves the residents of North Simcoe. Most users are older adults and those with mobility challenges. Over 36000 rides have been provided since the start of the program and 3977 rides were provided in 2016. The program relies on volunteer drivers who get 35 cents/km . They find they now need specialized transportation and they have fundraised for a new van. They are looking for \$2000.00 from us to cover the insurance costs in 2018.

Kevin gave an update on Walk a Mile and left some small posters for people to take.

Harry updated everyone on golf. Everyone should be working on their second sponsor by now. We need to see some \$ coming in by the end of March. Kevin asked if they would want on-line registrations for golf. Harry to discuss with Alan.

Next week we are off to a **Colts game on Thursday**. We will meet at 4pm at the Town dock parking lot and car pool down or you can meet us at Buffalo Wild Wings across from the Molson Centre in Barrie.
